Making Pictures in free Machine Embroidery Workshop

What you need to bring

An Electric sewing machine, in good working order which can drop the dog feed teeth or has a plate that fits over the teeth.

Your sewing machine manual.

Sewing machine accessories (oil, screwdriver, etc.)

A darning foot/free motion machine embroidery foot that is compatible with your machine.

Size 80 needles.

An extension lead

Hand sewing needles.

Calico, medium/ heavy weight. (Approx. 50cm/half a yard)

Note book and pen, pencil, paper, ruler.

8"/20cm wooden embroidery hoop.

Embroidery/sharp scissors.

Any threads you have, machine embroidery thread or ordinary dress making thread.

All bobbin spools that are compatible with your sewing machine.

Any hand embroidery threads you have.

Stitch and Tear- stabilising fabric.

Reference materials such as: pictures, drawings, books, photographs, patterning- visual material that interests you.

Please remember

It is very important that your machine is in good working order and that the feed dog teeth can be dropped, or that a plate can be fitted over the teeth and that you have a free motion machine embroidery foot/free motion darning foot that is compatible with your sewing machine and fits correctly. Please bring all your sewing machine tools and the sewing machine manual.

Please bring as much as you can from the equipment list, if however you do not have any of the list, I always bring everything with me, (except sewing machines) and items can be purchased at a small cost.
